

**East High School's
Public Health Academy for Social Justice
Student Application**

APPLICATION WINDOW: Applications will be accepted until 3:30 pm on January 6, 2017

Please return completed applications to your Middle School Counselor or to Annie Potter at East High School.

East High School's Health Academy for Social Justice is part of Madison Metropolitan School District's Personalized Pathways.

East High School's Public Health Academy for Social Justice prepares students for postsecondary studies and careers by closely collaborating with our **community partners** in the health science field and advocating for the **health and equity of all** in our community. We offer a core of **flexible, rigorous** and **relevant** courses aligned with interdisciplinary, experiential-based learning and post-secondary options. Our **comprehensive** course of study includes dual-credit, internship and public service **opportunities** for students within a **safe** and **supportive** learning environment.

Personal Responses:

Please answer the following question in 3 to 5 sentences. You may use the space provided, or use a separate piece of paper to provide your answers. (Please staple the separate sheet to this application so it does not get lost). If you use a separate sheet of paper, please write your name and student ID number at the top. Make sure that your writing is clear and easy-to-read.

- 1. Please tell us why you are interested in being a part of the Public Health Academy for Social Justice. What are some of the specific reasons that you think this opportunity would be a good match for you as a high school student?**

Sentence Starters :

- *Being part of a small learning community may help me because...*
- *The topic of health, health equity, and/or social justice are interesting to me and/or are related to my future goals because...*
- *Linking learning across my classes and through projects sounds exciting because...*
